

# Shower steamer

Experience the ultimate in shower luxury with shower steamers! Infused with premium essential oils, these shower steamers have the potential to transform your daily shower into a relaxing and rejuvenating spa experience. Simply place one on the shower floor ( away from the direct water) and let the hot water activate the aromatherapy. Watch as the steamer fizzles and emits an aromatic mist that will awaken your senses, energise your mind and leave you feeling invigorated.

With a variety of scents to choose from, such as lavender, eucalyptus, menthol, spa, citrus and peppermint, you can tailor your shower experience into your exact needs. Perfect for busy individuals who need a quick and effective way to de-stress and recharge, shower steamers are the the perfect way to enhance your shower routine.

## Soap - Melt and pour

Indulge in the luxurious lather of melt and pour goat milk soap, enriched with essential oils and natural colours. This soap is a perfect choice for those who want to pamper their skin with gentle care. Made from the purest ingredients, it provides a rich and creamy lather that cleanses without stripping the skin of its natural oils. The goat milk in this soap is loaded with vitamins and minerals, which nourish and hydrate the skin. The essential oils used in this soap are carefully selected to provide an aromatic experience that is both relaxing and invigorating. The natural colours add a touch of elegance to the soap, making it a perfect gift for any occasion.

While there are a range of melt and pour soaps available, Goats Milk is my favourite. I do have a selection of other types that are listed at the end. This soap comes in a variety of shapes and sizes and is priced accordingly. **PLEASE NOTE THAT WEIGHT IS ONLY AN APPROXIMATION AS SOAP LOSES WEIGHT OVER TIME. Prices are based on weight at time of pouring.**
